Congresswoman Candice Miller honors AEW's 40th anniversary

U.S. Rep. Candice Miller of Harrison Township, MI., congratulated Anderson, Eckstein and Westrick, Inc. for 40 years of service to Southeast Michigan and presented the company with a "Certificate of Special Congressional Recognition."

The certificate cites AEW for its "top quality and dedicated consulting services to Southeast Michigan's cities, villages, townships, government agencies and private industries."

Miller, who is serving her third term representing Michigan's 10th Congressional District, began her political career as Harrison Township Supervisor and was Macomb County Treasurer, then Michigan Secretary of State before running for the U.S. House of Representatives.

"AEW has been a valuable partner in creating competent and well organized localities within the State of Michigan through its civil engineering, surveying and architecture projects," the congresswoman wrote in a letter to AEW. **"As the former Harrison Township Supervisor, I have witnessed firsthand the benefits of a dedicated and knowledgeable consulting team when overseeing daily township operations."**
